## **MASSIMO MARIANI**

Born in Rome on 31 May, 1948

Tax Identification N°: MRN MSM 48E31H501K

Resident in Via Roschetto 14, Perugia, Italy

Graduate in Civil Engineering at the University "La Sapienza" in Rome on 18.12.1978 (Mark: 105/110) and Construction Engineering - Architecture at the University Politecnica delle Marche in Ancona on 10/20/2006 (Mark: 110/110);

Acquired Chartered Engineer status at the University of Rome in 1979 and Chartered Architect status at the University of Chieti – Pescara in 2006;

Member of the Order of Engineers of the Province of Perugia since 18 June, 1985 (ref. A837) (previously Member of the Order of Engineers in the Province of Rome from 18 January, 1980 to 18 June, 1985);

Member of the Order of Architects, Planners, Landscapers and Conservationists of the Province of Ascoli Piceno since 28 January, 2010 (Ref, 899).

Free Professional

Social Security - INARCASSA, n. 303243 since 26 January 1985.

Knight of the "Order of Merit of the the Italian Republic"

Office "Studio for Applied Research" Via Armonica, 6/B – 06123, Perugia, Italy;

VAT N.: 01527930547

Tel. and fax +39 075 5730640 – Cell. +39 338 7855328

# PROFESSIONAL TEACHING BACKGROUND

Academic Years

2013/2014

2012/2013

2011/2012

2010/2011

**Professor of "Applied Geology and Geotechnical Engineering Works" (42 hours) Master Course in Science and Geological Technologies**, Faculty of Mathematical, Physical and Natural Sciences, Perugia.

Terni, 19 February 2015

**Seminar "Consolidation of wooden structures with steel, Interventions in foundation and Consolidation of landslides"** (4 hours). Promoted by the Order of Engineers of the Province of Perugia.

Roma, 13 December 2014

**Seminar "Designing interventions on structural instability - Solutions and advanced techniques in foundation and elevation"** (2 hours). Initiative promoted by DEI - Typography of Civil Engineers.

Cremona, 5 December  
2014

**Seminar "Consolidation and Restoration: Reading and interpretation of structural instability of masonry buildings. Advanced temporary propping systems (2 hours); Techniques of consolidation with steel of damaged masonry buildings: works in foundation and elevation. Consolidation of wooden structures with steel"** (2 hours). Promoted by the Order of Engineers of Cremona.

Asti, 14 e 15 November  
2014

**Training workshops about the consolidation of structures.**

**Seminar 1: "Interpretation of structural instability of masonry buildings and consolidation techniques with steel"** (4 hours);

**Seminar 2: "Interventions on buildings on landslides and consolidation of wooden structures with steel"** (4 hours). Promoted by the Order of Engineers of the Province of Asti.

- Perugia, 31 October 2014 **Seminar: "Interventions on buildings on landslides (2 hours) and consolidation of wooden structures with steel (2 hours)."** Initiative promoted by the Foundation and the Order of Engineers of the Province of Perugia.
- Perugia, 24 October 2014 **Seminar: "Interpretation of structural instability of masonry buildings and consolidation techniques with steel" (5 hours).** Initiative promoted by the Foundation of the Order of Engineers of the Province of Perugia, during which was presented the publication *Construction Details in Consolidation and Restoration*, Rome, DEI - Typography of Civil Engineers, 2014.
- Varese, 20 June 2014 **Seminar about the consolidation of the structures**  
**Seminar 1: Interpretation of structural instability of masonry buildings and consolidation techniques with steel (4 hours);**  
**Seminar 2: Interventions on buildings on landslides and consolidation of wooden structures with steel (4 hours).** Promoted by the Order of Engineers of the Province of Varese.
- Arezzo, 16 June 2014 **Seminar: "Principles of consolidation and seismic upgrading".**  
 Consolidation techniques with steel of damaged masonry buildings - works in foundation and elevation and on landslides (2 hours).  
 Promoted by the Order of Engineers of the Province of Arezzo.
- Cosenza, 5 June 2014 **Teacher of the Course: "The religious architectural heritage: ensuring safety and conservation of churches."**  
 Principles of consolidation of damaged monumental buildings by using steel - foundation works, in elevation and on unstable slopes (2 hours).  
 Reading and interpretation of the structural instability of monumental buildings and advanced techniques for propping systems (2 hours).  
 Initiative promoted by the National Council of Engineers, the order of engineers of Cosenza and the Mediterranean Foundation for Engineering.

Ancona, 14 April 2014	<p><b>Lecturer in the Seminar:</b>  <b>"The European planning. Opportunities for professionals, elements of European design."</b> An initiative promoted by the Federation Orders of Engineers of Marche and by the Provincial Orders of Engineers of Marche.</p>
Novara, 4 April 2014	<p><b>Lecturer in the Seminar:</b>  <b>Reading and interpretation of the structural instability of masonry buildings and advanced techniques for temporary propping systems (2 hours) and consolidation methods with steel of damaged masonry buildings - Foundation works, in elevation and on unstable slopes (2 hours).</b> This initiative is promoted by the Order of Engineers of the Province of Novara</p>
Latina, 14 June 2013	<p><b>Lecturer:</b>  <b>Diagnosis, Analysis and Design of interventions for masonry buildings</b> (4 hours), an initiative promoted by the Order of Engineers of the Province of Latina and the Centro Studi "Sisto Mastrodicasa."</p>
Torino, 24 May 2013	<p><b>Lecturer of the Course: "Problems of risk on the architectural heritage. Methods and tools in interventions on historical and monumental buildings".</b>  <b>Consolidation of historical buildings with steel</b> (2 hours). Initiative promoted by ASS.IRCCO. - Italian Association for the Recovery and Consolidation of Buildings and Study Centre "Sisto Mastrodicasa".</p>
Cosenza, 9 February 2013	<p><b>Lecturer of the Course for Architects and Engineers:</b>  <b>The consolidation of historic buildings with steel</b> (4 hours), an initiative promoted by the Ministry of the Interior - Provincial Command of the Firefighters of Cosenza; Ministry of Heritage and Cultural Activities - Superintendence for Architectural Heritage and Landscape for the Provinces of Cosenza, Crotone and Catanzaro; ASS.IRCCO. - Italian Association for the Recovery and Consolidation of Buildings; National Council of Engineers; Order of Engineers of Cosenza; Mediterranean Foundation for Engineering.</p>

- Barletta, 16 November 2012 **Lecturer in the School of Professional Development for safety Co-ordinators in temporary and mobile building yards.** (Legislative Decree no. 9 April 2008, n. 81): The safety of buildings: the first propping systems and subsequent consolidation (4 hours), an initiative promoted by the Order of Engineers of the Province of Barletta Andria Trani and Spesal ASL BT
- Priverno (LT), 13 October 2012 **Lecturer of the Course: "Architectural heritage and seismic risk. Methods and tools for prevention interventions on historical and monumental buildings"**  
**Consolidation of historic buildings with steel** (2.5 hours). Initiative promoted by ASS.IRCCO. - Italian Association for the Recovery and Consolidation of Buildings and the Order of Architects of the Province of Latina.
- Rieti, 11 February 2012 **Lecturer of the Course: "Architectural heritage and seismic risk. Methods and tools for prevention interventions on historical and monumental buildings"**  
**Consolidation of historic buildings with steel** (2.5 hours). Initiative promoted by ASS.IRCCO. - Italian Association for the Recovery and Consolidation of Buildings and the Order of Architects of the Province of Rieti.
- Chieti, 24 June 2011 **Professional Updating Course**  
Engineering of Structures: Existing Constructions - Masonry Buildings (8 hours). An initiative promoted by the Order of Engineers, Province of Chieti.
- Fiuggi, 18 June 2011 **Course:**  
Architectural heritage and seismic risk. Methods and tools from prevention to interventions on historic and monumental buildings (2.5 hours). An initiative of ASS.I.R.C.CO, Italian Association for the Recovery and Consolidation of Buildings.
- Academic Year 2009/2010 **Lecturer Masters Course (second level)**  
Seismic improvement, restoration and consolidation of historic and monumental buildings - Fourth Edition - Course on "Structural problems of historical and monumental buildings" (60 hours), University of Perugia, Faculty of Engineering.

Gubbio, 20 March 2010	<b>Seminar</b> The Restoration of "Palazzo Bargello" in Gubbio and experiences of recovery and preservation of civil architecture of the Fourteenth and Fifteenth Century (3 hours). An initiative of the Municipality of Gubbio.
Teramo, 30 July 2009; Pescara, 15 July 2009; Ascoli Piceno, 8 May 2009	<b>Lecturer NTC Course 2008</b> Supplementary Seminar: Consolidation and restoration of masonry buildings - Actions on structures in elevation: analysis of failures, temporary work, renovation and consolidation, (8 hours) for the Order of Engineers of the Provinces indicated.
Perugia, 15 May 2009	<b>Course on Recovery and Conservation of Buildings I and II:</b> Architectural ideation in the recovery of monumental buildings (3 hours), University of Perugia, Degree in Civil and Environmental Engineering.
Academic Year 2007/2008	<b>Lecturer - Masters Course (second level)</b> Seismic improvement, restoration and consolidation of historic and monumental buildings - Third Edition - Course on "Structural problems of historical and monumental buildings" (60 hours), University of Perugia, Faculty of Engineering.
Perugia, 25 June 2008	<b>Seminar:</b> The pleasure of drawing (4 hours). An initiative by the University of Perugia, Faculty of Engineering.
Spoleto (PG) 22 September 2007	<b>Seminar:</b> Scientific research in the design of post-seismic strengthening and restoration work, (3 hours). An initiative promoted by the Umbria Region and the Marche Region.
Perugia, 22 May 2007	<b>Seminar:</b> The quality of building between innovation and protection of architectural and landscape heritage (2 hours). An initiative promoted by the Region of Umbria, the Municipality of Perugia and by the Professional Associations.
Rome, 31 January 2008	<b>Seminar:</b> Consolidation and restoration of masonry buildings. An initiative by ASS.I.R.C.CO, Italian Association of Recovery and Consolidation Construction.

Perugia, 15 and 16 March 2007	<b>Lecturer</b> <i>"Guidelines for the assessment and reduction of seismic risk of cultural heritage with reference to technical standards for construction"</i> (8 hours), Study Centre "Mastrodicasa Sisto."
Foligno, 2006	<b>Lecturer</b> <i>"Project: perform – path building renovation"</i> (4 hours) at the Institute for Industrial and Technical Surveyors', Leonardo da Vinci ", Foligno.
Academic Year 2005/2006	<b>Lecturer - Masters Course (second level)</b> Seismic improvement, restoration and consolidation of historic and monumental buildings - Second Edition - Course on "Structural problems of historical and monumental buildings" (60 hours), University of Perugia, Faculty of Engineering.
Years 2005/2006	<b>Lecturer</b> <b>Course:</b> <i>"Seismic classification, vulnerability of buildings and standards for construction in seismic areas"</i> , for the Umbria Region.
Perugia, 2005	<b>Lecturer</b> <b>Course:</b> <i>" Seismic classification, vulnerability of buildings and technical regulations for seismic constructions"</i> (24 hours) for the School of Public Administration Villa Umbria.
Year 2005	<b>Lecturer</b> "Technical measures of intervention for floors and trusses in wood and metal construction: increased stiffness in the plan, restoring the original conditions, treatment of premises , increased resistance, changing constraints and connections: materials, calculation procedures, construction details, examples " during the course on <i>Safety in masonry buildings, diagnosis, degradation, interventions, representative examples of interventions</i> for the Study Centre" Mastrodicasa Sisto. "
Chieti, in 2005	<b>Lecturer Professional Refresher Course</b> Technical standards for the design and seismic adaptation- retrofitting of buildings (4 hours), of the Order of Architects, Planners, Landscapers and Conservationists of the Province of Chieti.
Ancona and Perugia, in July 2005	<b>Lecturer</b> Professional Refresher Course

The new text on Seismic Ordinance: changes to existing masonry buildings (8 hours), Study Centre "Mastrodicasa Sisto," Centers of Perugia and Ancona.

Perugia, 11 December 2004

**Lecturer**

Professional Refresher Course  
Diagnosis and safety of masonry buildings, with particular reference to the new seismic code (1 hour), University of Perugia, Faculty of Engineering.

Florence, October, 2004

**Lecturer**

Professional Refresh Course  
Safety of masonry buildings, diagnosis, degradation, interventions, examples of representative work (4 hours) at the INAIL Regional Office.

Lanciano, Chieti, 2004

**Lecturer**

Diagnosis and safety of masonry buildings (3 hours) for the Study Centre "Mastrodicasa Sisto," located in Lanciano and Chieti.

Academic Year 2003/2004

**Lecturer: Masters Course (second level)**

Seismic improvement, restoration and consolidation of historic and monumental buildings – Third Edition - Course on "Structural problems of historical and monumental buildings" (60 hours), University of Perugia, Faculty of Engineering.

Perugia, 2003

**Lecturer: Professional Updating Seminar**

Redevelopment, hydraulic protection and environmental restoration of river banks (4 hours) - 1<sup>st</sup> and 2<sup>nd</sup> form, the Province of Perugia.

Viterbo, 2 July 2003;  
Chieti, 17 June 2003;  
Pisa, 15 April 2003;  
Pesaro, 12 March 2003;  
Trento, 27 February 2003,  
Cremona, 21 January 2003;

**Lecturer: Professional Refresher Course**

Securing and strengthening of masonry buildings: considerations and analysis of technical interventions (1 hour each session) of the Order of Engineers of the Provinces indicated.

Gubbio, 29 March 2003

**Lecturer**

Company Training Project (3 hours) at the Art Institute of Gubbio.

Syracuse, 11 January

**Lecturer**

2003	Contemporary consolidation techniques: building yard experience (5 hours) for the Board of Surveyors of the Province of Syracuse.
Chieti, 20 November 2002; Florence, 26 June 2002; Offida (AP), 5 June 2002; La Spezia, 23 May 2002; Perugia, 22 March 2002	<p><b>Lecturer</b> Itinerant Professional Refresher course. Diagnosis and security of masonry buildings and Consolidation and restoration of masonry structures (1 hour each session), Study Centre "Mastrodicasa Sisto" at the Professional Associations of Architects and Engineers of the Provinces indicated.</p>
Perugia, 2002	<p><b>Lecturer</b> Course for maintenance technicians for the consolidation of unstable areas (10 hours), Agency for Vocational Training "Smile – Innovative Systems and Methods for work and education."</p>
Rieti, 12 November 2002	<p><b>Lecturer: Professional Refresher Course</b> Securing and strengthening of masonry structures: considerations and analysis of intervention (1 hour) of the Order of Engineers of the Province of Rieti.</p>

# PARTICIPATION IN NATIONAL AND INTERNATIONAL CONVENTIONS

Viareggio, 28 June 2014

Study Day on the theme: **"Observatory on the risk of dangerous cargo: ideas and proposals for the establishment of a permanent center"** organized by the Civil Protection of Tuscany, from VGR and the Municipality of Viareggio.

Perugia, 26 June 2014

Conference **"The Regulation for the determination of fees for the award of engineering services pursuant to art. 9 D.L. 1/2012 and after the entry into force of the Ministerial Decree n. 140/2012 and Ministerial Decree 143/2013"** organized by the National Council of Engineers of Italy, the Order of Engineers of the Province of Perugia, the Umbrian School of Public Administration and the Order of Engineers of the Province of Terni.

Treia, 26 June 2014

Presentation of the book **"The Practical Construction and Rural Architecture - Summary of lectures Prof. Guglielmo Calderini gave to the Royal University of Pisa - Academic Year 1885-1886"** sponsored by the City of Treia, Accademia Georgica, by the University of Perugia and Il Formichiere editore.

Tbilisi (Georgia),  
30 May 2014

ECCE-GSCE-WCCE International Conference Seismics-2014 **"Seismic design and rehabilitation of buildings"** organized by the European Council of Civil Engineers (ECCE), the Georgian Society of Civil Engineers (GSCE), the World Council of Civil Engineers (WCCE) and the Ministry of Regional Development and Infrastructure of Georgia: "Seismic Structural Consolidation of Historical and Monumental Buildings Using Steel: Interventions on Foundations and Elevations".

Sarzana, 16 May 2014	National Conference <b>"Structural damages of the buildings' heritage in the urban ambit: from emergency to everyday practice"</b> organized by the National Council of Engineers and the Regional Federation of the Order of Engineers of Basilicata: "Structural Consolidation of masonry buildings with steel. Temporary propping systems, on foundations and elevations."
Perugia, 29 January 2014	Conference organized by the "Academy of Donca": <b>"Palazzo dei Priori between history and architecture."</b>
Bolzano, 29 November 2013	Second Meeting of the Boards of Geotechnical Engineering organized by the Order of Engineers of the Province of Bolzano: <b>"Consolidation of the buildings: technologies and techniques."</b>
Bologna, SAIE 2013 19 October 2013	Workshops organized by SAIE in collaboration with the Scientific Committee SAIE: <b>"Solutions and techniques for structural strengthening."</b>
Caserta, 11 October 2013	Order of Engineers Province of Caserta, University of Naples Federico II, University of Tuscia, University for Foreigners of Perugia, "Apotema" Association, National Council of Engineers - Open day 2013: <b>"Innovative tools for the management of hydraulic risk."</b>
Perugia, 25 June 2013	National Conference on <b>"Care and maintenance of the territory at risk"</b> by Alta Scuola, Region of Umbria, the Municipality of Perugia et alii: "Evolution of the provisional post-seismic interventions on buildings."
Varese, 20 June 2013	Conference of the Order of Engineers of Varese:

**"Pierluigi Nervi the molecular architecture"**

L'Aquila, 15 June 2013

Conference " **Sustainable rebuilding, safe reconstruction**" by SAIE L'Aquila:  
"The evolution of the temporary propping systems for structural reinforcement: from compressed to tensile structures."

Bologna,  
Earthquake Effect 2012–  
Soil and Structures,  
21 May 2013

Conference organized by the Region of Emilia Romagna:  
**"Interventions to consolidate the foundations."**

Bologna, 12 April 2013

Conference CLAIU:  
**"The Bologna process and the engineering education."**

Catania, 18 January 2013

Conference of Order of Engineers of the Province of Catania, The International Association of Lions Clubs District 108 Foundation Yb Sicily and the Order of Engineers of the Province of Catania:  
**"Consolidation of monumental buildings with steel."**

Bologna, SAIE 2012  
19 October 2012

C.N.I. (National Council of Italian Engineers) Roundtable:  
**"Technical regulation and prevention of seismic risk."**

Priverno (Latina),  
13 October 2012

ASS.I.R.C.CO. (Italian Association of Recovery and Consolidation of Construction) and the Order of Architects of the Province of Latina Conference:  
**"Consolidation of historic buildings with the use of steel."**

Perugia,  
28 September 2012

European Heritage Days, 29 to 30 September 2012, Congress organized by the

Superintendence for Archaeological Heritage of Umbria, the Superintendence for Architectural Heritage and Landscape of Umbria:

**"The Beautiful Door returned: the project of restoration and enhancement Etruscan Arch."**

Gubbio (Perugia),  
23 June 2012

Conference of the University of Bricklayers, stonemasons and arts congeners:

**"Experiences in the art of Consolidation and restoration of masonry buildings."**

Norcia (Perugia),  
21 November 2011

Conference for the Celebration of the 70th anniversary of the establishment of the State of Perugia:

**"Norcia 1859 post-earthquake measures and works. Effective knowledge of a distant time."**

Perugia, 28 May 2011

Conference convened by the Family Perugina:  
**"Palazzo dei Priori, history and vicissitudes."**

Bucarest, 11 October 2011

ASS.I.R.C.CO Conference. (Italian Association of Recovery and Consolidation of Constructions):

**"The Consolidation of Historic Buildings."**

Ferrara, 27 March 2010

Topic of the meeting:

**"Considerations on damage mechanisms and possible restoration interventions on historic buildings one year after the earthquake in Abruzzo."**

Bastia Umbra (Perugia),  
12 March 2010

Convention:

**Umbrian Architecture 2010 signs of the contemporary.**

Foligno, 30 January 2010

Urban Regional Review:

**"From Integrated Recovery Programs to the "new town".  
Reconstruction after earthquakes."**

## **Comparing experiences."**

L'Aquila,  
3 December 2009

EUCENTRE - General Assembly Committee  
and Professional Supporters Group – Topic:  
**"Consolidation and restoration of  
buildings in seismic areas."**

Rome, 15 December 2009

Topic of the meeting:  
**"Strengthening of structures with steel."**

Bastia Umbra (Perugia),  
27 November 2009

Coordinator of the workshop **"House Steel  
House."**

Bologna, 31 October 2009

Meeting on the topic:  
**"The earthquake in Abruzzo on 6 April  
2009: reflections on damage mechanisms  
on historical buildings and experiences  
on emergency safety interventions."**

Corciano (PG),  
4 April 2009

Convention:  
**"Corciano (and Perugia): City without  
measure?"**

Perugia, 30 January 2009

Convention:  
**"Architectural barriers and accessibility."**

Bath (GB), 2-4 July 2008

Assembly Rooms:  
**"Sahco 08 - 6th International Conference  
of Structural Analysis of Historic  
Constructions".**

Perugia, 24 May 2007

Conference:  
**"The Nameless City. An Architecture in  
search of urban environment."**

Florence,  
22-27 February 2005

International Conference:  
**"Conservation of historic wooden  
structures."**

Perugia, 26 June 2003

National Forum:

**"The consolidation of historical buildings  
reasons for safety and conservation  
requirements."  
Safety measures versus conservation  
requirements."**

Perugia,  
7-14 December 2002

National Forum:  
**"Lignea 2002 - The wooden structures  
from past to future. Art, History, Design,  
Technology, Restoration."**

## PUBLIC POSITIONS HELD

Since 2014	President Elect of ECCE, European Council of Civil Engineers.
Since 2011	Member of the Executive Board of the "Consiglio Nazionale degli Ingegneri" (National Council of Italian Engineers), in charge of the sector "Culture".
Years 2012/2014	Member of ECCE's Executive Board, European Council of Civil Engineers.
Years 2012/2014	Member of the QUACING's Executive Board, Agency for Quality Certification and EUR-ACE Accreditation for degree programs in Engineering.
Years 2012/2014	Member of the Working Group established in order to draft the "Guidelines for the Testing and Safety of Monumental Historic Heritage" for the Ministry of Public Works, seismic events began on 20.05.2012.
Since 2012	Member of the Executive Board of the "Scuola Superiore di Formazione Professionale per l'Ingegneria" (Engineers' Higher School).
Years 2011/2014	Member of the Board of Directors ASS.I.R.C.CO - Italian Association of Recovery and Consolidation of Constructions
Years 1996/2011	President of the Order of Engineers of the Province of Perugia (In office until 2013)
Years 2011/2013	Regional Delegate ASS.I.R.C.CO - Italian Association of Recovery and Consolidation of Constructions.
Years 2007/2010	Member of the National Committee of Professionals EUCENTRE - European Centre for Training and Research in Earthquake Engineering.
Since 2003	Academic of Merit of the Academy of Fine Arts "Pietro Vannucci" in Perugia.
Since 2002	Honorary Academic of Fine Arts "Pietro Vannucci" in Perugia.
Years 2000/2005	Member of the Board of Directors and Deputy Secretary of the Academy of Fine Arts "Pietro Vannucci" in Perugia.
Years 1995/2002	C.C.R.T.'s Component, Regional Advisory Committee for the Territory - Umbria Region.

Years 1995/2009	President and Member of the Executive Board and the Technical Committee of the "Consorzio Umbria Sanità" for hospital buildings interventions in Umbria.
Years 1993/1996	Counselor of Province of Perugia's Order of Engineers

## COMPETITIVE EXAMINATIONS

- Competitive examination for the assignment of the task of projecting the **CONSOLIDATION OF THE BUILT UP AREA OF SCILLA – MAIN TOWN**, run by Scilla Municipality (RC), 2000.  
(1° place)  
Group members participating:  
Dr. Eng. Massimo Mariani (Group leader)  
Dr. Eng. Berardino Buonforte  
Dr. geol. Benedetta Chiodini  
Dr. geol. Maria Rita Fiorucci  
Surveyor: Roberto Caratozzolo
- Competitive examination for the assignment of the task of projecting the **RESTORATION AND CONSOLIDATION OF PALAZZO MONALDI BARNABÒ IN FOLIGNO** (PG), run by Foligno Municipality (PG), 2002.  
(6° place)  
Group members participating:  
Dr. Eng. Massimo Mariani (Group leader)  
Dr. arch. Massimo Pica Ciamarra – PCA int. Srl - Napoli  
Dr. arch. Aroldo Bargone  
Dr. arch. Federico Bargone  
Dr. Eng. Niccolò De Robertis (A&I Ingegneri Associati) – Florence  
Dr. Eng. Bruno Rocchegiani (Termostudi Associati) – Ancona  
Dr. arch. Francesco Bartolucci  
Dr. arch. Rita Allegrini  
Dr. geol. Umberto Lenzi (Lenzi Cavazzana Associati) – Ancona
- Competitive National examination: **CONTEST FOR DESIGNING A VISITORS' CENTRE- ANTIQUARIUM- INFORMATION CENTRE IN THE "SALA DEGLI ARCHI" [ROOM OF ARCHES] IN CORCIANO**, run by the Corciano Municipality (PG), 2002.  
(6° place)  
Group members participating:  
Dr. Eng. Massimo Mariani (Group leader)  
Studio Bargone Architetti Associati
- Competitive examination for the assignment of the task of projecting **THE CONSTRUCTION OF A RURAL VILLAGE AND INTERNATIONAL CENTRE FOR RESEARCH, DOCUMENTATION, TRAINING AND COOPERATION FOR RURAL DEVELOPMENT, INSIDE THE CASALINA FORTRESS IN PERUGIA**, run by the Perugia Agrarian Foundation, 2002.  
Group members participating:  
Dr. arch. Eng. Philippe Samyn – Samyn and Partners – Brussels  
Dr. Eng. Massimo Mariani  
Dr. arch. Federico Bargone

Dr. arch. Francesco Bartolucci  
Dr. arch. Benedetto Calcagno – Brussels  
Dr. Eng. Bruno Rocchegiani (Termostudi Associati) – Ancona  
Dr. geol. Umberto Lenzi (Lenzi Cavazzana Associati) – Ancona

- Competitive national examination: **CONTEST IN TWO PHASES FOR THE RECOVERY AND RESTRUCTURING OF THE EX FILANDA MERONI COMPLEX IN SONCINO**, run by Soncino Municipality (CR), 2002.  
Group members participating:  
Studio Bargone Architetti Associati – Rome (Group leader)  
Dr. Eng. Massimo Mariani
  
- Competitive examination for the assignment of the task of projecting **THE EXPANSION OF THE EXHIBITION AREA OF THE ROOMS IN THE NATIONAL GALLERY OF UMBRIA ON THE 3RD FLOOR AND ON OTHER UPPER FLOORS OF PALAZZO DEI PRIORI IN PERUGIA**, run by the Superintendence for Architecture, the Countryside and the Artistic, Demographic, Ethnic and Anthropologic Heritage of Umbria, 2003.  
(1° place)
